Darmstadt Road Access Permit

And/or Culvert Replacement/Installation

General Conditions

- 1) The permit shall be considered valid for a period of one year from the date of approval. If construction has not begun within the valid term of the Permit, a new Permit will need to be secured.
- 2) All Commercial and industrial access requests must be submitted with sufficient construction drawings/plans to the Darmstadt Superintendent.
- 3) If the access radius extends in front of an adjoining property, The Petitioner must exhibit proof of the adjoining property owner's permission prior to the approval of the Permit.
- 4) All Materials shall be as specified on page 1 of this permit.
- 5) On all new construction there shall be a minimum amount of cover of 12". Anything less than that will need to be approved by the superintendent.
- 6) Any work not performed by the town of Darmstadt shall be done at the Petitioner's expense and is subject to final approval by the Superintendent.
- 7) The fee for the processing of the permit is \$60.00. please make checks payable to DARMSTADT.
